

Interested in increasing your IT employment opportunities?

Certificate IV in Information Technology ICT40120

About the course

This qualification provides the skills and knowledge for an individual to be competent in a wide range of general information and communications technology (ICT) technical functions, and to achieve a degree of self-sufficiency as an advanced ICT user. This course can be delivered as both part of a traineeship or as a non-trainee.

Who should attend?

Existing or potential IT and administration staff who aspire to develop skills in administering and the maintenance of the user environment for computer networks.

For more information, please visit our website

Possible job roles could be

- Help desk officer
- Help desk assistant
- ICT Operations Support
- ICT User Support
- PC Support

Recognition of Prior Learning (RPL)

RPL is available for each unit of competency based on relevant workplace experience, formal training or other expertise.

Recognition will involve submission of evidence.

Course Fees

Fees are variable subject to eligibility for Government subsidised training. Please contact us for more information.

Assessment

Assessment is ongoing during the program and includes undertaking workplace specific activities. The assessments consist of Q&A, project, practicals, and observations. This is completed partially within the classroom with an expectation of approximately additional 3 hours per week of self-paced study.

Access and Equity

Integrity Business College encourages participants who have disabilities to apply.

Duration

The minimum duration is 12-18 months depending on current skills, knowledge and previous experience.

Possible Delivery Modes

Delivery for this course is available in multiple modes.

Our preferred and most popular delivery mode:

Virtual Classroom: 3-hour classes every 2 weeks, with a trainer and other students. Requires logging into the virtual classroom platform.

Physical Classroom: weekly or fortnightly full day classes held in our Melbourne and Adelaide offices.

Traineeships: trainees will undertake either of the above options, in addition to 4 workplace visits within a 12-18 month period.

*In specific cases, other tailored options may be available.
